Event Description

The finest high school senior hockey players from Vermont and New Hampshire will combine their talents and represent their States in the annual All Star Hockey event, with all proceeds benefiting Make-A-Wish[®] Vermont and New Hampshire.

The games – the 30th for the men and 25th for the women – will return to UVM's Gutterson Arena on Saturday, June 25, 2022, at 4:00 p.m. and 6:30 p.m.

Mission of the Game

The mission of the game is to raise awareness and funds for Make-A-Wish[®] throughout Vermont and New Hampshire. It is the goal of Make-A-Wish[®] to provide a wish to every eligible child battling a life-threatening medical condition. These children should laugh and dream and be like all other children, but unfortunately are not able to because of their illness. Make-A-Wish[®] works to create lasting memories for the entire family at a time when it is most needed. Your support allows its volunteers to make each Wish as unique and special as each child.

This event also serves another purpose of allowing these top high school athletes one last chance to showcase their hockey skills before heading off to college or pursuing their dreams. The All Star Hockey Classic games provide players, families, friends, and fans the rewarding opportunity to help fulfill wishes of children with life-threatening illnesses. We are pleased to provide these student athletes with the opportunity to “give back” to those whose lives have been much more difficult than their own – a unique partnership which adds a special dimension to this Twin State athletic event.

Since 1993, the All-Star Hockey Classic has raised over \$320,000 for the Make-A-Wish[®] Chapters of Vermont and New Hampshire.
